Vendor Onboarding Guide

This guide is for the Procurement team and for sellers who want to list products on Nimbu Mart. Onboarding is completed within 7 business days after all documents are received.

Payment terms

Vendors are paid on Net-45 terms: 45 days after the invoice is accepted. Payments are made by NEFT every Friday.

Document checklist

The checklist below is the same one printed on the paper form. It is included as an image because many vendors still send scanned forms.

Mandatory documents

1. GST registration certificate (GSTIN)
2. PAN card of the business
3. Cancelled cheque for bank verification
4. Signed vendor agreement
5. FSSAI licence (only for food sellers)
